Patients covered by Private Health Insurance must provide the relevant information prior to or on admission, to enable us to charge their Insurance Company directly.

Private Health Insurance policies do not cover non-medical expenses such as light refreshments for visitors, alcoholic beverages, magazines, stamps and sundry items.

Insured patients are advised to seek pre-authorisation from their insurance company prior to admission.

Payment for non-insured patients must be made prior to admission.

Many people are surprised to learn that the tranquil Michelham Unit is a hidden oasis within the Eastbourne District General Hospital (DGH). Some medical procedures can only be offered in private units that have NHS 24-hour care and emergency services on-site.

You can find us on Level 2 of the central block of Eastbourne District General Hospital.
